

## **WELCOME TO J70 WORLD'S 2017 - PORTO CERVO ITALY**

### **Charter Boats Available now!**

We're pleased to confirm that J/Boats Italia srl is arranging for a number of J/70s to be available for charter for the J/70 Worlds 21017.

We are anticipating high demand of boats.

Due to limited number of boats available, priority in assignment will be given to "over-seas" Countries Teams, with reference to reception date of booking, up on to book out of boats.

This initiative should be considered the Event's official assignment for Charters.

For additional charter boat information, please contact Paolo Boido at [jboats@jboats.it](mailto:jboats@jboats.it) cell. ph +39 335 688 5005.
